

HOME SCHOOL FOOD DELIVERY CAMPAIGN HELPS FAMILIES WITH CHILDREN IN KAJAANI CITY

The Kajaani Associations of Entrepreneurs and Retailers (Kajaanin KauppiaSyhdistys and Kajaanin Yrittäjät) launched a campaign to help families with children in Kajaani during the coronavirus epidemic.

Donations are being used to purchase ready meals for families with children instead of school meals. Ready meals are being provided by local restaurants and food service providers.

Ready meals will be free for families and delivered straight home.

The number of delivered ready meals will depend on the amount of donations received.

If you want ready meals delivered to your home, inform the Kainuu County office of the Mannerheim Child Protection League from Monday to Friday from 9am to 3pm. You can ring 08 622 193 or send an email to: kainuu@mll.fi

Be sure to mention **your name, address and phone number**.
