

Instruction in Kajaani Basic education beginning March 23rd 2020

All basic education 1st – 3rd grade pupils are allowed to go to school from March 23rd on.

It's not compulsory to go to school,

and it is highly recommended, that the 1st – 3rd grade pupils join the instruction at home in distance teaching.

No-one should attend school if feeling ill,

nor when the pupil has returned from abroad in the last 14 days.

All pupils in 4th – 9th grade attend distance teaching at home.

The teachers give instructions daily in Wilma and MS Office Teams application.

Parents read instructions in **Wilma**.

Pupils read instructions and do school work in **Teams**.

The pupil logs in to Teams with his/her school email address.

You can check the password from the teacher.

The main purpose of the restrictions is to prevent the COVID virus from spreading.
