

How to get a COVID-19 test in Kajaani

1. Wear a face mask!

2. Call

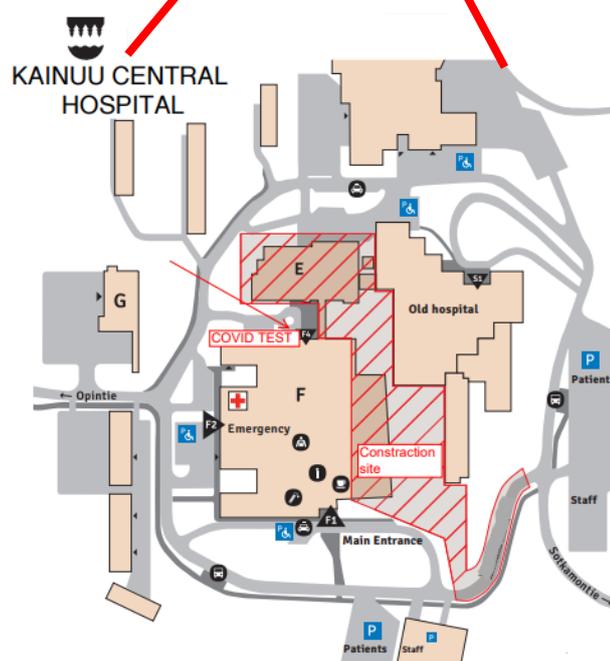

- Kainuu Central Hospital +358 40 165 0020 to get a testing appointment time (serves in Finnish and English)

(this number is only for booking COVID test; not a medical help line)

- You will receive a confirmation via SMS (text message)

3. Have a test at Kainuu Central Hospital (drive-in test)

- Test is taken outside also for pedestrians at the north end of the new hospital building (“drive-in test”). Don’t go inside the hospital!
- Test is free of charge.

Follow the "Drive-in" sign – the test is taken outside of the hospital

4. Go home and stay!

- After the test go home, nowhere else. Wear a face mask!
- **Wait at home until you get the result!**
- **An official quarantine or isolation is ordered by the Finnish law.** The breaching can be punished with a fine or imprisonment. See [more information](#) of quarantine and isolation.
